Ordering Paragraphs

1. The application, as amended, of NextG Networks of Illinois, Inc d/b/a NextG Networks Central for a facilities-based and resale telecommunications service provider certificate of operating authority (SPCOA) is approved.² NextG Networks of Illinois, Inc d/b/a NextG Networks Central is granted SPCOA No. 60717 for the geographic area of the entire State of Texas in the name of NextG Networks of Illinois, Inc.
2. The Applicant shall comply with pertinent provisions of the federal Telecommunications Act of 1996,³ including the procedural requirements of FTA § 251(f)(1)(B), when seeking interconnection, services, or network elements from a rural telephone company.
3. The Applicant shall establish an access line account and submit quarterly reports in compliance with P.U.C. SUBST. R. 26.467 reporting requirements.
4. The Applicant shall be bound by requirements of P.U.C. SUBST. R. 26.111. Service under this certificate shall be provided exclusively in the name under which the certificate was granted by the Commission.

² Administrative approval of this uncontested application has no precedential value in a future proceeding.

³ Pub. L. No. 104-104, 110 Stat. 56 (codified as amended in scattered sections of 15 and 47 U.S.C.)(FTA).

5. An SPCOA certificate holder that has not provided service for a period of 12 consecutive months must provide a sworn affidavit to the Commission on an annual basis attesting that they continue to possess the technical and financial resources necessary to provide the level of service proposed in the initial application. An SPCOA certificate holder that has not provided service within 48 months of being granted the certificate by the Commission, may have its certificate suspended or revoked, as defined by P.U.C. SUBST. R. 26.114, after due process, or undergo certification re-qualification. The Applicant shall comply with the above requirements.
6. The Applicant shall file any future changes in address, contact representative, and/or telephone numbers in an annual report with the Commission by June 30th of each year *Annual Information Reporting Requirements for a Service Provider Certificate of Operating Authority and/or a Certificate of Operating Authority*, Docket No. 27357. If the SPCOA holder has any change during the year in the information requested in Section One of the annual report form, then the SPCOA holder shall file an updated form correcting the information in Section One within 30 days of the change.
7. The Applicant shall provide a copy of its application and/or the Commission's Notice of Approval, in accordance with the individual entity's requirements, to all affected Commission on State Emergency Communications (9-1-1) entities prior to providing service to those entities.
8. The Applicant's provision of local telephone service to end-users, whether by its own facilities, flat-rate resale, or usage sensitive loop, must also include "9-1-1" emergency telephone service at a level required by the applicable regional plan followed by local telephone service providers under Chapters 771 and 772 of the Texas Health and Safety Code, TEX. HEALTH & SAFETY CODE ANN. §§ 771.001 *et seq.* (Vernon 2003) (the Code) or other applicable law, and any applicable rules and regulations implementing those chapters.

The Applicant shall diligently work with the Commission on State Emergency Communications, local "9-1-1" entities, and any other agencies or entities authorized by Chapters 771 and 772 of the Code to ensure that all "9-1-1" emergency services, whether provided through the certificate holder's own facilities, flat-rate resale, or usage sensitive loop, are provided in a manner consistent with the applicable regional plan followed by local telephone service providers under Chapters 771 or 772 of the Code or other applicable law and any applicable rules and regulations implementing those chapters. The Applicant shall diligently work with the "9-1-1" entities to pursue, in good faith, the mutually agreed goal that the local "9-1-1" entities and emergency service providers experience no increase in their current level of rates and, to the extent technically feasible, no degradation in services as a result of the certification granted herein and the involvement of the certificate holder in the provision of "9-1-1" emergency service.

9. The Applicant shall notify all affected 9-1-1 administrative entities at least 30 days prior to activating or using a new NXX in a rate center or upon the commencement of providing local telephone service in any rate center in compliance with P.U.C. SUBST. R. 26.433(d)(3).
10. The Applicant shall execute a separate service agreement with each 9-1-1 entity and remit the required 9-1-1 emergency service fee to the 9-1-1 entity pursuant to such agreement in compliance with P.U.C. SUBST R. 26.435(e)(4).
11. The Applicant has committed to and is bound by the quality of service requirements set forth in the Quality of Service Questionnaire. The underlying incumbent local exchange companies (ILECs) continue to be bound by the quality of service requirements contained in P.U.C. SUBST. R. 26.54. Approval of the SPCOA application does not expand the scope of the underlying ILEC's obligation to its own customers.

12. All other motions, requests for entry of specific findings of fact and conclusions of law, and any other requests for general or specific relief, if not expressly granted herein, are hereby denied.

SIGNED AT AUSTIN, TEXAS the 24th day of February 2005.
